HOMELESS HOUSING PROGRAM ACCESS

COORDINATED ENTRY SYSTEM

WHAT IS COORDINATED ENTRY?

The Coordinated Entry System (CES) facilitates the coordination and management of resources and services through our community's crisis response system. CES works to connect the highest need, most vulnerable persons in the community to available housing and supportive services equitably.

HOW TO GET STARTED:

CALL

Call 211 to complete an initial screening over the phone.

SCHEDULE

If eligible, you will receive a call or email to schedule a housing intake.

INTAKE

Households still in-need of help after the intake will receive a full CE assessment and be placed on the community housing list

REFERRAL

If a housing option is available, household is referred to a provider to begin the housing process

WHAT HAPPENS NEXT?

Based on your discussion, the access site staff will help connect you with community resources and/or make a referral for housing based on resource availability.
