September 14, 2023

→ Review PIT Questions

◆ A Few Additional Questions

- Add “In the last year, have you been forced by city or state officials to change your physical location, to move a campsite, or to dispose of any of your personal belongings?” (answer options: yes/no/don’t know/refused/data not collected)
 - If “yes” to above question, add “If yes, has this impacted your ability to access services?” (answer options: yes/no/don’t know/refused/data not collected)
- Question: “Do you ever stay at a shelter?”
 - Add another answer option- “Other” with a text box for a narrative (this will allow us to hear what the reasons are that people aren’t accessing shelter for us to include in next year’s survey instead of us guessing the reasons)
