

## HOMELESS HOUSING PROGRAM ACCESS

# HOMELESS HOUSING HELP

### WHAT IS COORDINATED ENTRY?

The Coordinated Entry System (CES) facilitates the coordination and management of resources and services through our community's crisis response system. CES works to connect the highest need, most vulnerable persons in the community to available housing and supportive services equitably.

### How to Get Started:

1

#### Sign Up at Findhelp.org

Complete an online screener on Findhelp.org.

2

#### Schedule

If eligible, you will receive a call or email to schedule a housing intake.

3

#### Intake

Households still in need of help after the intake will receive a full CE assessment and be placed in the community resource pool.

4

#### Referral

If a housing option becomes available, the household will be contacted by a provider to begin the housing process.

\*\*Please note that this is not a guarantee of housing assistance, nor is it program enrollment. It is strongly recommended that you continue to explore other housing opportunities.
